**MERCANTILE
BLOCK**

2ND FLOOR STUDIOS

Floor 2 contains 11 studios, several of which have been joined to provide larger spaces.

The second floor tenant mix includes two AS220 programs: the Silk Screen Studio and AS220

Labs; several non profits such as College Visions and the Rhode Island Council on the Humanities (RICH); and some individual work studios.

MUSIC REHEARSAL STUDIOS AT THE MERCANTILE

3 Music Rehearsal Studios are being built out in the basement of the Mercantile. 2 will be about 260sf and 1 will be about 430sf. These studios will be accessed from Martha Street. It is expected that these spaces will be able to serve a number of bands/groups of musicians.
