The Photo Lottery depends on your contributions! We appreciate your donation and ask that you submit your print framed and/or ready to hang. Framing your donation helps us lower the cost of the event and ensures that your print will be cared for and protected for the entire, month long exhibition. If you cannot arrange to have your work framed or prepared for showing, we will do our best to handle your work, but please be aware that we have limited funds and resources to provide professional framing and matting services and will prepare your work to the best of our abilities.

Thank you for helping us make the 2011 Photo Lottery a success!
